The extension "W" is replaced by the manufacturer with the Blast Tube Version.
The extension "XX" is replaced by the manufacturer with the initials of the destination country.
The extension "K" is replaced by the manufacturer with a letter indicating the burner manufacture.
The extension "Q" is replaced by the manufacturer with the Burners Equipment.
The extension "JJ" is replaced by the manufacturer with a letter indicating the burner control system.
Abbreviations between parenthesis mean that other choices can be available.
